

Resource Solutions

Your best fundraisers start here

Thank you for your interest in the **SUBWAY Fundraising Program**. The program is very simple. Resource Solutions has done everything possible to make it easy for your group to obtain funds. Here is how the program works....

- Each discount card contains **30** coupon stamps for **FREE** SUBWAY sandwiches, drinks, applesauce, chips and cookies when a purchase is made or discounts on footlong sandwiches.
- Your group would agree on how many cards you think you can sell @ \$5.00 each. We will send you the cards to sell in-hand. No money is due upfront. You will be invoiced for cards that are checked out. You have a 30 day selling period. You are responsible for each card during your selling period. **You retain \$2.50 for each card sold** and \$2.50 is sent to Resource Solutions. Any cards that are not sold may be returned in good condition for a full credit on your invoice.
- Or we can provide an order form and you can take orders with payment and then deliver cards to your customers after your sale. This option is great if you have a large group or are worried about getting money and cards returned back to you.
- At the end of your sale you return a check for the balance due. That's It!

The cards are easy to sell because they have **value** to the consumer. There are no order forms to fill out and no return trips to your customers to deliver the product. Think of the amount of time you spend ordering, sorting and preparing for other products that are available for fund-raising. With the SUBWAY Fundraising Program, when a buyer says **"YES"**, you can hand them a card and collect their money. You have an immediate cash flow, and it allows your organization a fast and simple way to earn the dollars you need.

If you are interested in this program and your local SUBWAY is not listed on our website, we will help you pursue contacting them to request their participation. I am looking forward to speaking with you soon about any questions you may have and appreciate your consideration of the SUBWAY Fundraising Program.

Sincerely,

Monica Nutt
